

14dBi Yagi Antenna

Product Feature

- * Wide band, high gain and Low VSWR.
- * High quality Aluminum Alloy material.
- * Good Environmental Adaptability.
- * With the Cable leads.
- * Can be horizontal or Vertical installation.

Electrical Specification

MODEL	OY8496-1434	OY1720-1434	OY1921-1434
Frequency	824-960MHz	1710-2000MHz	1920-2170MHz
Gain	14dBi		
VSWR	≤1.5		
Max power	50W		
Impedance	50Ω		
Polarization	Vertical		
Horizontal Beamwidth	34°		
Vertical Beamwidth	30°		
Front to Back Ratio	≥16dB		
Lightning Protection	DC Ground		
Weight	1kg		
Dimension	1378×185mm		
Connector Type	N-Female or customized		
terminal line	Black 5D-FB, L=350mm		
hold pole diameter	φ40-70mm
